Chairman's Letter

Dear Shareholders,

I would like to begin by extending my warmest greetings to each of you, both personally and on behalf of the Board of Directors.

With India's remarkable growth in infrastructure spending, doubling from ₹67 lakh crores between 2017 and 2023 to a projected ₹143 lakh crores from 2024 to 2030, as per NITI Aayog reports, the country is setting new benchmarks in large-scale national projects that resonate at the local level. This massive investment in infrastructure is not only transforming the landscape but also laying the groundwork for innovative financial models that can be replicated globally.

In alignment with these efforts, I commend EQUIPPP's initiative, EQUIPPP DESI (District Economic and Social Impact Fund), for being launched to empower local infrastructure development through innovative financial vehicles like GIFT City and others.

By leveraging EQUIPPP's cutting-edge platforms and mobilizing expert human resources, EQUIPPP DESI can set a new trend in how local infrastructure is financed and managed, while also creating significant social impact.

I am hopeful that EQUIPPP DESI along with combination of EQUIPPP 3.0 labs and EQUIPPP core IPs is going yield decent business prospects for the company's growth

I express my gratitude to the Directors and management for their support and look forward to the exciting journey that lies ahead.

In conclusion, I extend my warmest wishes to the esteemed shareholders, management, and directors of EQUIPPP for a year filled with success and happiness.

Thank You,
Dr Narendra Mairpady

MD & CEO - EQUIPPP DESI Letter

Dear Shareholders,

Namaskar.

EQUIPPP Desi Investments Pvt. Ltd. is the new baby in the EQUIPPP family and I have the honor of leading this initiative as its MD & CEO. It is the wholly owned subsidiary of your company EQUIPPP Social Impact Technologies Ltd. Here, DESI stands for “District Economic and Social Impact”.

A bit of backstory before I get into details of our mission at DESI as we like to call ourselves.

In my prior life, I was a part of the founding team that SEBI had constituted for architecting and implementing the Social Stock Exchange (SSE) in India. I took over the helm of the SSE at BSE when it was launched in 2022. EQUIPPP was one of our key supporters and we jointly organized several seminars socializing the SSE concept to NGOs, Entrepreneurs, Investors and the Government.

Our early discussions revolved around how SSE can be a catalyst of Social Impact by being an enabler for getting different stakeholders together and how it was a perfect match for the EQUIPPP platform. Naturally, given the vision of EQUIPPP, those discussions evolved into how we can use a combination of enablers like the EQUIPPP platform, the SSE, the Alternate Investment Fund construct to create pools of money, which can be used to transparently finance infrastructure projects in partnership with local and state governments to create a sustainable impact.

It was an exciting concept and I joined the EQUIPPP team to lead this initiative.

We have been incorporated just six months ago, and I’m delighted to share that we have already started working on several initiatives with a few state governments.

We participated in the roadshows of an Indian state government in the US in June and shared our vision with the Indian diaspora there to a very warm reception. With skilling being a key focus both nationally and at a state level in most states, we are working on initiatives on enhancing the skilling infrastructure at the state level and introducing programs in colleges and universities that will help the students be market ready and more employable. Additionally, we are in advanced stages of architecting our first fund.

As dialogues unfold regarding the establishment of a fourth futuristic city in Telangana, where our parent company, EQUIPPP Social Impact Technologies Ltd, operates out of, we hope to play a key role in managing the investments related to its development, following in the footsteps of Hyderabad, Secunderabad, and Cyberabad.

While we represent the Finance vertical for EQUIPPP, we are working closely with other group companies on the Technology front to ensure that all our endeavors are fully transparent and have the right level of governance.

Our target market is relatively unexplored, but has tremendous potential, and we are striving hard to tap into it as much as we can and as fast as we can.

I’m excited to be a part of the EQUIPPP journey and looking forward to creating a significant impact with our initiatives throughout the nation.

Co-Founders - EQUIPPP 3.0 Labs' Letter

Dear Shareholders,

Greetings from EQUIPPP 3.0 Labs!

We are G. L. Sai Kiran and Nithin Varma, Co-Founders of EQUIPPP 3.0 Labs. Established as a special purpose vehicle, our primary goal is to implement EQUIPPP's intellectual property solutions in a managed services mode for EQUIPPP's customers and take care in-house technology requirements to propel the various arms of EQUIPPP.

In addition to this, we are gradually evolving into an independent entity, focusing on the development of intellectual property while offering product engineering and technology services to clients in India, Europe, and the USA.

Through our participation in roadshows, presentations, and knowledge sessions on PPPs, the Social Stock Exchange, and non-profits worldwide, we have recognized the immense potential to provide technology solutions in these areas. We are excited about the opportunity to carve out a niche for ourselves while creating added value for EQUIPPP as a whole.

We are collaborating closely with EQUIPPP DESI to offer digital platforms and solutions that effectively source funding, showcase impact, and ensure accountability for various projects being undertaken.

Our vision is to deliver appropriate technology solutions that range from simple web portals to cutting-edge metaverse environments, all in service of EQUIPPP's mission to democratize and decentralize equity participation, enhance civic engagement, and advance PPP and cross-sector partnerships.

We would like to take this opportunity to thank the board of directors, management, and the founder of EQUIPPP for their unwavering support and the opportunity to contribute.

Looking forward to shared success and prosperity.

Thanks and Regards

G. L. Sai Kiran, Nithin Varma

EQUIPPP DESI investments Pvt Ltd. has been set with the mandate to create a platform for promoting the development of local infrastructure in India in partnership with the local and state governments.

We are focussed on local Infrastructure since it provides the building blocks for creating sustainable growth with maximum impact on both the local economy and people. The partnership with the Government is critical as it ensures that there is commitment from the local administration to execute the project.

DESI stands for District Economic and Social Impact, and provides a platform that supports the development of local infrastructure in the following ways –

1. Establish a SEBI registered Alternate Investment Fund for pooling investments from Indian Corporates and the Indian diaspora settled overseas for financing of local infrastructure projects in partnership with the Government. The fund will leverage the IFSC established in GIFT City to provide a more efficient way for International investors to participate in the fund. The first fund is a Telangana focused fund. Subsequent funds with target other geographies within India.
2. For funds that are received from other sources for the infrastructure projects, we will provide State Governments with Fund-as-a-Service (FaaS) offering to enable them to manage similar pools of money more easily and efficiently. This will provide greater transparency and compliance to the investors, motivating them to invest more into the state.
3. In addition to providing Fund management services, Equippp Desi is also going to leverage innovative channels and instruments to provide additional sources of funding for State Governments. Some examples of these include using the Social Stock Exchange and using Blended Finance structures such as Outcome based funding.

With a core objective of creating sustainable social impact through enabling development of local infrastructure, EQUIPPP DESI will be operating in a market which today has tremendous potential, but limited competition as of date. Our target segment is to focus on projects that are greater than Rs. 100 Crores and cannot be funded through Grants and Donations. This segment is currently neglected as it falls in the lap of the local or state government with limited funding options.

2. FINANCIAL SUMMARY:

The Consolidated and Standalone Financial Statements of the Company for the year ended March 31st, 2024 have been prepared in accordance with Indian Accounting Standards (IND-AS), the relevant provisions of sections 129 and 133 of Companies Act, 2013 (hereinafter referred to as "the Act"), Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Listing Regulations"), which have been reviewed by the Statutory Auditors.

Standalone Performance

The total revenue of the Company for F.Y. 2023-24 stood at Rs. 186.61 Lakhs. The Company has incurred a loss of Rs. 14.94 Lakhs for F.Y. 2023-24, as against the profit of Rs. 28.02 Lakhs in the previous year.

Consolidated Performance

During the Financial Year under consolidation, for the period ended March 31st, 2024, the total consolidated Revenue of the Company stood at 187.43 Lakhs and the consolidated Net Loss was Rs. 28.12 Lakhs.

3. DIVIDEND:

In achieving significant milestones and robust financial performance, the Board of Directors has chosen not to declare any dividends for F.Y 2023-24. This decision reflects our dedication to enhancing shareholder value through sustained growth initiatives and prudent capital management. We remain focused on optimizing our resources to capitalize on future opportunities and maximize long-term shareholder returns. Further the Dividend Distribution Policy as per Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable to the Company as it does not fall under top 1000 Listed Companies based on its market capitalization as at the end of the Financial Year March 31st, 2024.

4. TRANSFER TO GENERAL RESERVES:

The Company has not transferred any amount to the General Reserve Account during the Financial Year ended 31st March, 2024.

5. CHANGE IN THE NATURE OF BUSINESS:

During the F.Y. 2023-24, there was no other change in the nature of the Business.

6. BUSINESS OVERVIEW AND FUTURE OUTLOOK:

Evolved in 2021 as an NSE mainboard-listed entity through NCLT, EQUIPPP (Expression of Equity Interest in Public and Private Partnerships) facilitates, as the name suggests, the evolution of Public-Private Partnerships between governments, organizations, local bodies, social impact investors, CSR foundations, and others. It enables interconnection and collaboration on sector-wise and geography-wise interests and challenges, offering suitable and customized solutions powered by technology and finance.

The business model of EQUIPPP is structured around two verticals: the IP vertical and the IT vertical.

The IP business model for EQUIPPP focuses on finance and technology-powered solutions, with a phased rollout of capabilities based on a long-term strategic vision.

This strategy is driven by two mirror-image subsidiaries: EQUIPPP DESI (Finance) and EQUIPPP 3.0 Labs (Technology).

In the current environment, where State Governments and local Governments face fiscal stress due to FRBM constraints, financing development priorities is experiencing a liquidity crunch. This situation presents an excellent business opportunity for EQUIPPP to offer innovative solutions powered by finance and technology.

Pairing the book-building and enterprise solutions of EQUIPPP with a dedicated financing arm will have a mutually synergistic effect and create a multiplier effect on EQUIPPP, through the revenue and impact generated both from the platform and from the financing arm.

Thus, through the fully owned subsidiary, “EQUIPPP DESI Investments Pvt. Ltd.” (DESI), EQUIPPP provides strategic consulting and funding vehicles to capitalize on this opportunity.

Technology plays a crucial role. Along with book-building and collaboration, it can assist in sourcing, impact measurement, and intelligence. This is powered by the EQUIPPP 3.0 Labs.

As a business, EQUIPPP DESI serves as a mirror image of EQUIPPP and is currently the primary business enabler for the company. As a separate legal entity, DESI can effectively navigate the regulatory landscape and create a transparent channel for financing impactful projects.

The IT vertical is being developed organically at both the parent company and subsidiary levels. Inorganic growth is also being explored by combining synergies with a few identified entities that have recurring revenues and established customer bases, which complement EQUIPPP’s PaaS, book-building, and enterprise solutions.

7. SHARE CAPITAL:

a) Authorized Share Capital:

There was no change in the Authorized Capital of the Company during the Financial Year 2023-2024. The Authorized Share Capital of the Company as at March 31st, 2024 stood at Rs. 56,00,00,000/- divided into 56,00,00,000 Equity Shares of Re.1 each.

b) Issued, Subscribed and Paid-up Share Capital:

Issued, Subscribed and Paid-up Share Capital of the Company is Rs. 10,30,95,225/- divided into 10,30,95,225 Equity Shares of Re.1/- each.

8. LISTING WITH STOCK EXCHANGES AND DEPOSITORY SERVICES:

The Equity Shares of the Company are listed on the National Stock Exchange of India Limited (NSE) with scrip code EQUIPPP and BSE Limited (BSE) under Permitted to Trade Category with scrip code No. 590057. The annual Listing Fee for the Financial Year 2024-2025 has been paid to the National Stock Exchange of India Limited (NSE).

Further, the Company’s Equity Shares have been admitted to the depository mechanism of the National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). As a result, the Investors have an option to hold the Shares of the Company in a Dematerialized Form in either of the two Depositories.

9. HUMAN RESOURCES:

A Company's continued success depends on the ability to attract, develop and retain the best talent at every level. The Company's Human Resource (HR) Management practices ensure a fair and reasonable process for all-round development of its talent. The Company strives to maintain a skilled and dedicated workforce, representing diverse experiences and viewpoints.

10. CREDIT RATINGS:

C. Cost Audit:

During the year under review, maintenance of cost records and requirements of cost audit as prescribed under the provisions of Section 148 (1) of the Companies Act, 2013 are not applicable to the Company.

D. Internal Auditors:

Your Company has a robust Internal Audit team for carrying out Internal Audit. Pursuant to the provisions of Section 138 of the Companies Act and the Companies (Accounts) Rules, 2014, M/s. GBM & ASSOCIATES Chartered Accountants, Hyderabad, was appointed as the Internal Auditors of the Company for the F.Y 2023-24 to perform the duties of Internal Auditors of the Company.

The report submitted by the Internal Auditors gets reviewed by the audit committee from time to time.

26. BUSINESS RISK MANAGEMENT:

Your Company periodically assesses the risk elements, mitigates the different kinds of risks which the Company faces in its day-to-day operations and incorporates such risk mitigation plans in its business operational plans. As on date of this report, your Company does not foresee any critical risk, which threatens its existence.

27. CORPORATE SOCIAL RESPONSIBILITY:

The provisions of Corporate Social Responsibility are not applicable to the Company as the Company does not come under the ambit of Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014.

28. PUBLIC DEPOSITS:

The Company has not accepted any deposits from the public under Chapter V of the Companies Act, 2013 during F.Y. 2023-24 and, as such, no amount on account of principal or interest on public deposits was outstanding as on March 31st, 2024.

(a) accepted during the year: NIL

(b) remained unpaid or unclaimed as at the end of the year: NIL

(c) whether there has been any default in repayment of deposits or payment of interest thereon during the year and if so, number of such cases and the total amount involved-

(i) at the beginning of the year: NIL

(ii) maximum during the year: NIL

(iii) at the end of the year: NIL

(d) Details of the money received from directors: NIL

29. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013, are given in the notes to the Financial Statements

30. TRANSACTIONS WITH RELATED PARTIES:

The company entered into transactions with related parties in accordance with the provisions of the Companies Act, 2013 read with rules and the particulars of contracts or arrangements with related parties referred to in Section 188(1), as prescribed in Form AOC-2 of the rules prescribed under Chapter IX relating to Accounts of Companies under the Companies Act, 2013, is appended as “**Annexure – 3**”.

Policy on Materiality of and dealing with Related Party Transactions of the Company is available on the website of the Company and can be accessed at the web link:

<https://EQUIPPP.in/wp-content/uploads/2022/07/Related-Party-Transaction-Policy.pdf>.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED
CIN: L72100TG2002PLC039113
8 th Floor, Western Pearl Building,
Hitech City Road, Kondapur,
Hyderabad-500081.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (here in after called “theCompany”).

Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31 st March 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED for the financial year ended on 31 st March 2024, according to the provisions of:
 - 1.1 The Companies Act, 2013 (the Act) and the rules made thereunder;
 - 1.2 The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
 - 1.3 The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - 1.4 Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - 1.5 The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’): -
 - 1.5.1 The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

1.5.2 The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

1.5.3 The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018

1.5.4 The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **[Not Applicable as there was no such cases during the period under review]**

1.5.5 The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **[Not Applicable since the company has no such cases]**

1.5.6 The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

1.5.7 The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **[Not Applicable since the company has no such cases]** and

1.5.8 The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **[Not Applicable since the company has no such cases]**

1.5.9 The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

2. I have also examined compliance with the applicable clauses of the following:

2.1. Secretarial Standards issued by the Institute of Company Secretaries of India.

2.2. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

3. During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the following:

3.1 The company has not complied with the requirement of the Minimum Public Shareholding as specified in Rule 19(2) and 19A of the Securities Contracts (Regulation) Rules, 1957, for the quarter ended March 31, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 1,71,100/- (inclusive of GST of Rs. 26,100) for non-compliance of Regulation 38 of SEBI (LODR).

3.2. The company has not complied with the requirement of the Minimum Public Shareholding as specified in Rule 19(2) and 19A of the Securities Contracts (Regulation) Rules, 1957, for the quarter ended June 30, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 5,36,900/- (inclusive of GST of Rs. 81,900) for non-compliance of Regulation 38 of SEBI (LODR).

3.3 The company has not complied with the requirement of the Minimum Public Shareholding as specified in Rule 19(2) and 19A of the Securities Contracts (Regulation) Rules, 1957, for the quarter ended September 30, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 5,42,800/- (inclusive of GST of Rs. 82,800) for non-compliance of Regulation 38 of SEBI (LODR).

3.4. The company has not complied with the requirement of the Minimum Public Shareholding as specified in Rule 19(2) and 19A of the Securities Contracts (Regulation) Rules, 1957, for the quarter ended December 31, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 4,24,800/- (inclusive of GST of Rs. 64,800) for non-compliance of Regulation 38 of SEBI (LODR).

For the above points, the management has the following response:

In March 2023, the company attempted an Offer for Sale (OFS) to comply with MPS requirements but failed, resulting in frozen shares. After explaining the situation to NSE officials' multiple times, promoter shares were unfrozen in August 2023. However, subsequent OFS attempts in September were withdrawn due to investor concerns with regard to scrips being placed in IBC & GSM 0 frameworks, additionally there was also a cooling period of 10 trading days to initiate the next OFS after its withdrawal another OFS in October faced challenges, as non-retail investors couldn't place bids on major portals like HDFC, ICICI Securities etc didn't have an option for prospective investors to subscribe to this OFS, hindering compliance efforts. Similar issues persisted in November, impacting bids from retail investors as well. Despite attempts to resolve portal issues, satisfactory solutions weren't achieved.

The company urged NSE to share any pending penalties for previous MPS non-compliance for swift resolution, demonstrating commitment to corporate governance. In December 2023, another OFS successfully met the 10% MPS requirement, with penalties paid for non-compliance in March and December 2023 quarters. The company is now striving to achieve the 25% MPS requirement, seeking cooperation from NSE to fulfil its resolution plan and deliver value to shareholders.

3.5. The company has complied lately with the requirement of submitting the shareholding pattern for the quarter ended March 31, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 51,920/- (inclusive of GST of Rs. 7,920) for non-compliance of Regulation 31 (1) (b) of SEBI (LODR).

For the above point, the management has informed that there was a technical delay in receiving the data of Shareholding pattern; later the data received does not have the consolidated figures considering the OFS of March 2023.

Further, in order to avoid the hindrances for the MPS efforts put by the management and promoters considering the strategic review, aligning disclosures with long-term goals to prevent premature disclosure of sensitive regulatory data. The filing got a bit delayed in the best interest of the Company.

However, the company is committed to maintaining the highest standards of regulatory compliance and transparency. The company is taking all the necessary actions to ensure timely submission of the required documents in future and to address any associated penalties or repercussions.

3.6. The company has complied lately with the requirement of submitting the shareholding pattern for the quarter ended December 31, 2023. For this, the company has received a letter from National Stock Exchange (NSE) imposing a fine of Rs. 21,240/- (inclusive of GST of Rs. 3,240) for non-compliance of Regulation 31 (1) (b) of SEBI (LODR).

For the above point, the management has informed that the company delayed filing to conduct a thorough strategic review, aligning disclosures with long-term goals to prevent premature disclosure of sensitive regulatory data, thus avoiding impeding non-compliances. Delays also allowed for consultations with legal counsel to assess disclosure implications, mitigating legal risks and preventing compliance issues.

However, the company is committed to maintaining the highest standards of regulatory compliance and transparency. The company is taking all the necessary actions to ensure timely submission of the required documents in future and to address any associated penalties or repercussions.

4. The Company is into the business of providing technology solutions to various business sectors through a collaborative platform & innovative technology. Accordingly, the following Industry Specific Acts are applicable to the Company, in view of the Management and as per the Guidance Note issued by the ICSI. Based on the explanation given, there are adequate system and process in the company to monitor and ensure the compliance of following sector specific law, rule, regulation and guidelines:

4.01. Information Technology Act, 2000.

4.02. Any other Acts, Rules, Regulations, Circulars, Guidance Notes issued by the Government of India of India from time to time.

5. I further report that:

5.01. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors take pleasure in presenting the Management Discussion and Analysis Report for the year ended March 31st, 2024.

(a) Industry structure and developments

The past year can be characterized as one of resilience, marked by slower growth in services revenue due to challenging market dynamics that persisted throughout the year. High interest rates and multi-decade high inflation in key markets, combined with a volatile geopolitical landscape, impacted enterprise spending decisions and budget allocations. NASSCOM reports a sharp decline in growth for tech service providers, dropping from 7-8% in FY22 to 3-4% in FY23, as companies continue to reduce discretionary spending and focus on maximizing returns from previous investments. The conversion of deal bookings into revenue was sluggish, with ongoing pressure on margins for large deals.

Looking ahead to FY24, various research firms and industry bodies suggest the industry is on the verge of a rebound, with expectations of gradual improvement. However, this recovery may not reach the historical growth averages, influenced by a mild recession, easing monetary policies, and increased private capital expenditures aimed at exploring new markets and innovative offerings. Geopolitical uncertainties remain a key factor to monitor. There is anticipated growth in spending across cloud services, IT modernization, digital customer experience, and digital engineering projects. Generative AI is becoming a significant focus area for enterprises worldwide, with key applications in data summarization, assisted problem-solving, code generation, and translation.

Estimates indicate that global enterprise IT spending is likely to reach USD 3.7 trillion in 2024. The BFSI sector will continue to lead IT services spending, driven by the ongoing expansion of digital capabilities in financial services organizations, with IT spending expected to surpass USD 1.3 trillion by 2027. The Life Sciences and Healthcare segment is projected to grow steadily, with IT spending expected to exceed USD 350 billion by 2027. IT spending in the Communications, Media, and Entertainment (CME) segment is also expected to recover, reaching USD 885 billion by 2027.

(b) Opportunities and Threats

The current market landscape presents significant growth potential, with IT spending across key sectors like BFSI, Life Sciences, Healthcare, and Communications expected to surge in the coming years. The rise in demand for cloud services, IT modernization, digital customer experience, and generative AI offers immense opportunities for EQUIPPP Social Impact Technologies Limited to innovate and expand its influence. However, challenges such as high interest rates, inflation, and geopolitical uncertainties could impact enterprise spending decisions. To navigate these risks, EQUIPPP Social Impact Technologies Limited is proactively incorporating innovative technological strategies to mitigate business risks and capitalize on emerging opportunities, ensuring sustained growth in this dynamic environment.

(c) Segment wise analysis Of Financial and Operational Performance

Evolved in 2021 as an NSE mainboard-listed entity through NCLT, EQUIPPP (Expression of Equity Interest in Public and Private Partnerships) facilitates, as the name suggests, the evolution of Public-Private Partnerships between governments, organizations, local bodies, social impact investors, CSR foundations, and others.

It enables interconnection and collaboration on sector-wise and geography-wise interests and challenges, offering suitable and customized solutions powered by technology and finance.

The business model of EQUIPPP is structured around two verticals: the IP vertical and the IT vertical.

The IP business model for EQUIPPP focuses on finance and technology-powered solutions, with a phased rollout of capabilities based on a long-term strategic vision. This strategy is driven by two mirror-image subsidiaries: EQUIPPP DESI (Finance) and EQUIPPP 3.0 Labs (Technology).

In the current environment, where local and state governments face fiscal stress due to FRBM constraints, financing development priorities is experiencing a liquidity crunch. This situation presents an excellent business opportunity for EQUIPPP to offer innovative solutions powered by finance and technology.

Pairing the book-building and enterprise solutions of EQUIPPP with a dedicated financing arm will have a mutually synergistic effect and create a multiplier effect on EQUIPPP, through the revenue and impact generated both from the platform and from the financing arm.

Thus, through the fully owned subsidiary, “EQUIPPP DESI Investments Pvt. Ltd.” (DESI), EQUIPPP provides strategic consulting and funding vehicles to capitalize on this opportunity.

Technology plays a crucial role. Along with book-building and collaboration, it can assist in sourcing, impact measurement, and intelligence. This is powered by the EQUIPPP 3.0 Labs.

As a business, EQUIPPP DESI serves as a mirror image of EQUIPPP and is currently the primary business enabler for the company. As a separate legal entity, DESI can effectively navigate the regulatory landscape and create a transparent channel for financing impactful projects.

The IT vertical is being developed organically at both the parent company and subsidiary levels. Inorganic growth is also being explored by combining synergies with a few identified entities that have recurring revenues and established customer bases, which complement EQUIPPP’s PaaS, book-building, and enterprise solutions.

d) Outlook, risks and concerns

The market’s consumption of technology and related services can vary significantly on a quarterly basis. External factors, including economic and political conditions, changes in regulatory frameworks, and advancements in technology and product development, can have a substantial impact on EQUIPPP Social Impact Technologies Limited.

To address these challenges, EQUIPPP Social Impact Technologies Limited utilizes advanced analytical methods and proactive strategies to identify and mitigate the associated risks.

e) Internal control systems and their adequacy

The Company has established effective internal controls and governance frameworks, ensuring that its internal control systems are adequate. Other sections of this report further detail and elaborate on the adequacy of these systems

f) Human Resources

Our policies, procedures, and methods are designed to attract, engage, empower, and retain the most skilled professionals in the field. We are focusing on process improvement, automation, and the introduction of proactive approaches, such as upskilling opportunities, to enhance employee engagement and retention.

As mentioned in the previous report, through a strategic agreement with a design and technology firm, EQUIPPP is leveraging services from a network of retainers and empaneled members. Additionally, new teams have been added to the subsidiaries EQUIPPP DESI and EQUIPPP 3.0 Labs, considering the net worth and other financial factors of the parent company.

g) Ratios

S.No	Ratio Heading	FY 23-24	FY 22-23	% Change	Reasons for Significant Change wherever applicable
1	Debtors Turnover	1.54	4.44	-65%	The debtors turnover ratio has decreased because of delayed payment receipts.
2	Inventory Turnover	NA	NA	NA	NA
3	Interest Coverage Ratio	1.93	8.86	-78%	The decrease in interest coverage ratio is on account of decrease in earnings
4	Current Ratio	1.89	1.54	23%	NA
5	Debt Equity Ratio	0.44	1.34	-67%	The change in this ratio is due to variations in shareholders equity and liabilities
6	Operating Profit Margin (%)	-2%	35%	-106%	The decrease in operating margin in FY2024 is on account of increase in operating expenses
7	Net Profit Margin (%)	-8%	19%	-142%	The decrease in net profit margin in FY2024 is on account of increase in operating expenses
8	Return on Equity ratio	-0.01	0.03	-133%	The decrease in this ratio is due to decrease in Profit after Tax.

REPORT ON CORPORATE GOVERNANCE

[Pursuant to Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

The compliance with the corporate governance provisions as specified in regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V shall not apply, in respect of -

(a) a listed entity having paid up equity share capital not exceeding rupees ten crore and (b) net worth not exceeding rupees twenty five crore, as on the last day of the previous financial year

Since the net worth of the company as on March 31, 2024, continues to be less than Rs. 25 Crores, the above-mentioned provisions are not applicable to the Company. However, out of abundant caution when the Company had furnished the Corporate Governance Reports to the NSE & BSE for all quarters of F.Y. 2023-24, the NSE has held that the Company had to comply with the CG provisions and imposed penalties for non-compliance/delayed compliance under Listing Agreements and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company is contesting the aforesaid issue of applicability of provisions relating to Corporate Governance.

Though the applicability of LODR for the F.Y. 2023-24 is in question, the Company has decided to implement certain Corporate Governance provisions as a good practice, on a best endeavor basis.

1. Company's Philosophy on Corporate Governance:

Corporate Governance reflects the efficient conduct of affairs of the Company in a transparent manner, which helps in maximizing the stakeholder's value. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability in the management's higher echelons. The Company believes that good governance practices contribute to superior long-term performance of the Company.

The Company will continue to strive to be a wealth creator to meet stakeholders' expectations.

2. BOARD OF DIRECTORS:

The Company recognizes and embraces the importance of a diverse Board in its success and it believes that a truly diverse Board would leverage differences in thought, perspective, knowledge, skill and industry experience, which will enrich Board discussions and enable effective decision making. Your Company actively seeks to adopt best practices for an effective functioning of the Board and believes in having a truly diverse Board whose wisdom and strength can be leveraged for earning higher returns for its shareholders and better Corporate Governance. Therefore, the Board is an ideal mix of Knowledge, perspective, professionalism, divergent thinking and experience.

In line with the applicable provisions of the Companies Act, 2013 (the Act) and the SEBI Listing Regulations, your Company's Board has an optimum combination of Executive and Non-Executive Directors. The Board effectively separates the functions of governance and management and balances deliverables.

Apart from any specific matter, the Board periodically reviews routine business items which includes approval of financial results along with Auditors Review Report, operational performance of the Company, minutes of committee meetings, quarterly corporate governance report, statement of investor complaints,

shareholding pattern, compliance report on all laws applicable to the Company, annual financial statements, annual budget, capital expenditure and other matters placed before the Board pursuant to Part A of Schedule II of Listing Regulations.

The Board periodically reviews the compliance reports of all laws applicable to the Company.

Mr. Balarama Krishna Desina, Practicing Company Secretary, has issued a certificate as required under the SEBI Listing Regulations, confirming that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India/ Ministry of Corporate Affairs or any such statutory authority. The certificate is enclosed as “Annexure A” with this report and forms an integral part of this report.

Code of Conduct

Pursuant to Regulation 17(5)(a) of SEBI Listing Regulations, the Board of Directors of the Company has adopted and laid down the Code of Conduct for all Directors and Senior Management Personnel of the Company (“Code”), The Code is posted and available at the website of the Company <https://EQUIPPP.in/wp-content/uploads/2022/07/Code-of-Conduct-for-directors-and-senior-management.pdf>.

All Directors and Senior Management personnel have affirmed the compliance with the Code applicable to them during the year ended on 31st March, 2024. A declaration by Mr. Amol Arvind Palkar, CEO of the Company in terms of Para D of Schedule V of the SEBI Listing Regulations on the affirmation on compliance with the Code for the year ended 31st March 2024, based on the compliance declarations received from the Board and Senior Management, is enclosed as “Annexure B” with this report and forms an integral part of this report.

INDEPENDENT AUDITORS' REPORT

To,

The Members of
EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED
(Formerly Proseed India Limited)

Report on Audit of the Standalone Financial Statements Opinion

We have audited the accompanying standalone Financial Statements of **EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED** (Formerly Proseed India Limited) ("the Company"), which comprise of the Balance Sheet as at 31st March 2024, the Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statements of changes in equity for year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the state of affairs (financial position) of the Company as at March 31, 2024 and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies act 2013 and the Rules there under, and we have fulfilled our ethical responsibilities in accordance with those requirements and the code of Ethics. We believe that the audit evidence we have obtained is Sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's management and board of directors are responsible for the preparation of the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial Reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the said order.

ANNEXURE “B” To the Independent Auditor’s Report of even date on the Financial Statements of EQUIPPP SOCIAL IMPCAT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal financial controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Company offers high degree of skills, IPs and domain expertise across in areas like Digital Transformation, Enterprise Solutions, Tech platforms for ESG, CSR and Public Private Partnership (PPP) projects.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

a) Compliance with Ind AS

The Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

b) Use of Estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, and future periods are affected. Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities and fair value measurement of financial instruments have been discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in their respective policies.

c) Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities that are measured at fair value or amortized cost.

d) Functional currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company. The Functional currency of an entity is the currency of the primary economic environment in which the entity operates. All amounts are in Indian Rupees INR except share data, unless otherwise stated.

e) Operating cycle

All the assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

I. Assets: An asset is classified as current when it satisfies any of the following criteria:

- i. It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle.
- ii. It is held primarily for the purpose of being traded.
- iii. It is expected to be realized within 12 months after the reporting date; or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

II. Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- i. It is expected to be settled in the company's normal operating cycle.
- ii. It is held primarily for the purpose of being traded.
- iii. It is due to be settled within 12 months after the reporting date; or
- iv. The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

f) Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

Provision and contingent liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies Liabilities likelihood, which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting date. As at March 31, 2024 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

g) Property, Plant and Equipment and Intangible assets

I. Tangible asset and capital work-in-progress

Tangible assets are stated at cost, less accumulated depreciation and impairment loss, if any. Direct costs are capitalized until such assets are ready for use. Capital work-in-progress comprises the cost of fixed asset that are not yet ready for their intended use at the reporting date.

Property, plant & equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss. The cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

II. Intangible asset

Intangible assets are recorded at the consideration paid for acquisition of such asset under carried at cost less accumulated amortization and impairment loss (if any).

III. Depreciation and Amortization

Depreciation and amortization for the year is recognized in the Statement of Profit and Loss. Depreciation on Property, Office Equipment are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. Freehold land is not depreciated.

h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Non-current Investments are carried at cost less diminution in value other than temporary diminution determined separately for each individual investment. Current investments are carried at the lower of cost or fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

i) Measurement of fair values

Number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

I. SIGNIFICANT ACCOUNT POLICIES

a) Revenue Recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- Sales are recognized on transfer of significant risks and rewards of ownership of the goods to the buyer as per the terms of contract and no uncertainty exists regarding the amount of consideration that will be derived from sales of goods. It also includes goods and services tax and price variation based on the contractual agreement. It is measured at fair value of the consideration received.
- Income from services is recognized as they are rendered, based on agreement/arrangement with the concerned customers.
- Dividend income is accounted for when the right to receive the income is established.

b) Provision for Current and Deferred Tax:

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961, and the rules framed there under.

Deferred tax is recognized using the Balance Sheet approach on the temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets, and these relate to income taxes levied by the same tax authority and are intended to settle current tax liabilities, and assets on a net basis or such tax assets and liabilities will be realized simultaneously.

In the event of unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized to the extent that it is probable that sufficient future taxable income will be available to realize such assets.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax are recognized in the statement of profit and loss, except when the same relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax relating to such items are also recognized in other comprehensive income or directly in equity respectively.

Income tax expense consists of current and deferred tax. Income tax expense is recognized in the income statement except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

c) Earnings per Share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of Equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of Equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

d) Leases

i). Finance Lease: as a Lessee:

Leases, where substantially all the risks and benefits incidental to ownership of the leased item are transferred to the Lessee, are classified as finance lease. The assets acquired under finance lease are capitalized at lower of fair value and present value of the minimum lease payments at the inception of the lease and disclosed as leased assets. Such assets are amortized over the period of lease or estimated life of such asset, whichever is lower. Lease payments are apportioned between the finance charges and reduction of the lease liability based on implicit rate of return. Lease management fees, lease charges and other initial direct costs have been capitalized.

ii). Operating Lease: as a Lessee:

Leases, where significant portion of the risks and rewards of ownership are retained by the lessor, are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

e) Foreign Currencies

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

f) Property, Plant and Equipment

Tangible asset and capital work-in-progress

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets are ready for use. Capital work-in-progress comprises the cost of fixed asset that are not yet ready for their intended use at the reporting date.

Property, plant & equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss. Cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognized as separate assets, as appropriate, only when it is probable that the future economic benefits associated with expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss at the time of incurrence.

g) Depreciation and Amortization

Depreciation and amortization for the year is recognized in the Statement of Profit and Loss. Depreciation on Property, Office Equipment are provided on straight line method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. Freehold land is not depreciated. Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition and in case of Projects from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the date of deduction/disposal.

h) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment loss (if any). Intangible assets are amortized over their respective estimated useful lives on a straight-line basis, from the date that they are available for use.

Amortisation

The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Computer software is amortized on straight line basis over a period of:

(a) The EQUIPPP Trademark's useful life is expected to be forty years from 2015, hence for the Company EQUIPPP Social Impact Technologies Limited, introduced this Asset into the company in Jun 2021, hence it can use the said assets for next 34 yrs from Jun 2021.

(b) The Newly trademarked EQUIPPP ix IP's useful life is expected to be forty years from 2022, hence for the Company EQUIPPP Social Impact Technologies Limited, it can use the asset for next 40 yrs from 2022.

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revise to reflect the changes pattern, if any.

i) Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

j) Cash flow statement

Cash flows are reported using the indirect method, whereby profit or loss before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated and ultimately reconciled to the Closing cash and bank balance.

k) Employee benefits

i. Short-term Employee Benefits:

Short-term employee benefits are recognized as an expense on accrual basis.

ii. Defined Contribution Plan:

Contribution payable to recognized provident fund and approved superannuation scheme, which are substantially defined contribution plans, is recognized as expense in the Statement of Profit and Loss, as and when, they are incurred.

The provident fund contribution (when applicable) as specified under the law is paid to the Provident Fund to the Regional Provident Fund Commissioner.

iii. Defined Benefit Plan:

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination/resignation is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of completed years of service. The gratuity plan is a funded plan and Company makes annual contributions to the Group Gratuity cum Life Assurance Schemes administered by the LIC of India, a funded defined the most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity has not been carried out as at March 31st, 2024. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

l). Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability.

Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized.

m). Financial instruments

i. Recognition and Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and Subsequent measurement

Financial Assets

On initial recognition, a financial asset is classified as measured at

- amortized cost.
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets.

- How the performance of the portfolio is evaluated and reported to the Company's management.
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.
- How managers of the business are compensated – e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- The frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for de-recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows.
- Terms that may adjust the contractual coupon rate, including variable interest rate features.
- Pre-payment and extension features; and
- Terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A pre-payment feature is consistent with the solely payments of principal and interest criterion if the pre-payment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract.

Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost:

These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

Financial liabilities:

Classification, Subsequent measurement and gains and losses financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

iii. Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

v. Impairment

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost and debt securities at fair value through other comprehensive income (FVOCI) are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit impaired includes the following observable data:

- Significant financial difficulty of the borrower or issuer.
- The restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise.
- It is probable that the borrower will enter bankruptcy or other financial reorganization; or
- The disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition. Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.
- Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. 12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the trade receivable does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

n) Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The Company continues to evaluate them as highly probable considering the orders in hand. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 which may be different from that estimated as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

INDEPENDENT AUDITORS' REPORT

To,

The Members of
EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED
(Formerly Proseed India Limited)

Report on Audit of the Consolidated Financial Statements **Opinion**

We have audited the accompanying consolidated Financial Statements of **EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED** (Formerly Proseed India Limited) ("the Company"), which comprise of the Balance Sheet as at **31st March 2024**, the Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the statements of changes in equity for year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the state of affairs (financial position) of the Company as at March 31, 2024 and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements Section of our report. We are independent of the company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies act 2013 and the Rules there under, and we have fulfilled our ethical responsibilities in accordance with those requirements and the code of Ethics. We believe that the audit evidence we have obtained is Sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's management and board of directors are responsible for the preparation of the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial Reporting process.

Other Matters

We did not audit the financial statements of its wholly owned subsidiary M/s. Equivas Tech Innovation Limited and subsidiary M/s. Equippp Three Point 0 Labs Technologies Private Limited included in the consolidated financial results; financial statements of M/s. Equivas Tech Innovation Limited reflecting total assets of Rs.1.85 Lakhs as at March 31, 2024 and total revenues of Rs. Nil Lakhs, total net profit/(loss) after tax of Rs.(1.63) Lakhs and total comprehensive income / (loss) of Rs.0. Lakhs and financial statements of Equippp Three Point 0 Labs Technologies Private Limited reflects total assets of Rs.5.21 Lakhs as at March 31, 2024 and total revenues of Rs. 0.82 Lakhs, total net profit/(loss) after tax of Rs.(11.54) Lakhs and total comprehensive income / (loss) of Rs.0. Lakhs for the quarter and year ended March 31, 2024 as considered in the consolidated financial results. These financial statements and other financial information have been audited by other auditor whose reports dated 22.04.2024 and 01.05.2024 respectively have been furnished to us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of said subsidiaries are based solely on the report of the other auditors and the procedures performed by us as stated above.

Our opinion on the Statement is not modified in respect of the above matters.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE “B” To the Independent Auditor’s Report of even date on the Financial Statements of EQUIPPP SOCIAL IMPCAT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED (Formerly known as Proseed India Limited (“the Company”)) as of March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal financial controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
